

Even the Sky Is No Limit

Take Our Daughters
To Work® Day

April 27, 2000

Ms. Foundation
For Women

With the help of the Ms. Foundation for Women, women are reaching new heights. In 1993, the Ms. Foundation, long an innovative leader in addressing girls' and women's issues, launched Take Our Daughters To Work® Day, a program which has opened up new worlds to millions of girls, and taught them how to make their ideas, dreams and aspirations take flight. On April 27, 2000, we'll be taking off again. And you can join in the mission. Encourage your company or organization to participate in Take Our Daughters To Work Day. Or help a girl get on board. Just call 1-800-676-7780, or explore our website, www.ms.foundation.org.
